

Free Fun Friday! Sweet Heart Valentine

imagine. make. believe

Makes 40-50 depending on the number of marshmallows and lollies in the packet.

Before You Start

Always start with clean washed hands in the kitchen.

Instructions

1. Put chocolate and copha in small microwave jug, or in a small bowl.

2.  Adult supervision - Melt chocolate mixture in microwave or over a saucepan of hot water. If using a microwave it is best to use 50% or medium heat setting, and do short bursts, 30 seconds and then stir, to make sure chocolate does not over cook.

3. Once melted, dip the end of a marshmallow into the chocolate, and put the marshmallow, chocolate side up onto a tray or plate.

4. Quickly place a jube lolly, candy or fruit on the melted chocolate and allow to set hard.

5. Repeat steps 3 and 4 until all the marshmallows or lollies have been used.

6. Arrange the marshmallows in a heart shape on a nice serving plate or tray, and enjoy with your valentine!
